## **NOTICE**

**TO:** All Insurance Carriers Writing Health Business in the District of Columbia

**SUBJECT:** Medical Loss Ratio (MLR) Report

**DATE:** May 31, 2012

In accordance with DC ST § 31-3311.02, no later than May 31<sup>st</sup> of each year, insurers shall file an annual Medical Loss Ratio (MLR) report with the Commissioner of the DC Department of Insurance, Securities, and Banking, in a manner and on a form prescribed by the Commissioner, indicating the medical loss ratio calculated for all policies and contracts written for the previous calendar year.

However, since the Department of Insurance, Securities, and Banking has not drafted a DC specific form as of yet, there is no need to file the MLR report with the District at this time. In future years, it can be expected that the DC specific MLR form shall follow guidelines similar to those of the federal form.
